				Mr Eiffel's tower
				Lighthouse
				Model of my classroom
				Windmill

Kit et Colle is a collection of 20 educational cardboard models designed for primary schools.

Each cardboard model can easily be incorporated into your History/ Geography course as it includes a fact sheet briefly outlining the model's importance. With easy-to-follow instructions, they will inspire children to develop their problem solving skills. Available at different levels of complexity, these pre-cut cardboard sheets have few parts to assemble and pupils may complete them by colouring with felt-tip pens or painting.

Class sets are composed of **26 units** : 1 free teacher demonstration model, 25 pupil models, 6 easy-to-use plastic bottles of glue, instructions and historical background sheet, all at a cost of **£65.40**.

*Gothic Cathedral = large size : £3.20 ; 1 kit = £87.20

Postage and packaging : 1 kit = £5 ; 2-3 kits = £7.50 ; 4 kits = £8.60 ; 5 kits = £10.75.
